**Church on white street the handicapp sign cna it be taken down? Since it was paid for by someone else it can not be removed. Theres no need for the spot anymore so we don't want to take it down, in case the next owners want to keep the spot open. They haven't been very nice about respecting the property next to this. Did they have permits to redo the roof? We don't have a UCC official we only have a code enforcement officer. Our hands are pretty much tied there. Brent explained in detail what he could. 301 prospect street is being charged for 6 sewers bills and is wondering why? Greg will email at a later date.**
